

Nina Kokot

Recently graduated with a Master's degree in Computer Animation and VFX from Bournemouth University. I'm eager to leverage my skills and knowledge in the industry as I start my professional journey. I have excellent communication skills and experience of working in a voluntary capacity at various arts and cultural events, as well as a private tutoring of Mathematics and the English language. I keep a positive and challenge-ready attitude. I enjoy being a part of a team and interacting with others.
